[REDACTED] stated that the paper he submitted for the approval of the DD/P concerning the campaign for ideas from CS personnel finally came back from [REDACTED] with the recommendation that he re-arrange one of the annexes. Specifically, [REDACTED] wanted the third annex spelled out in greater detail so that it is made into a CS instruction, and gives step by step the action that the [REDACTED] will take. The way he is figuring, the wording will be: to the effect that [REDACTED] will check out cases and make a recommendation to the Special Panel. The Special Panel will then make a recommendation as to the amount of the award to the Agency Suggestion Awards Committee. This was just an example that [REDACTED] used, and is apparently going to be well detailed as to policy and procedure.
